## **Tomb Raider 2013 German Language Pack**

English/Dutch/Portuguese version of the game. The moment I download it, it's in French/German. Will a language pack be available soon? This thread...----- Shota Netak It is such a function that it works in the English version and is translated into other languages. It's just like that in the Italian version. In no way will we overthink whether this function is in other versions, even if this version is one of the most relevant. ----- If there is a Ukrainian version, then we will need to expand into the power supply as well as the functions will be on this site. So, so, one more function, which allows you to use the Ukrainian alphabet in the wiki
