Wednesday, October 26, 2015 Family Portrait Finally! I had my senior family picture taken this past Saturday. My sister and I took the picture at the entrance to the park. The rain poured down on us. It was definitely not the picture perfect weather. We set up at the gazebo and the clouds began to clear. The sun came out and was just starting to set as I took this photo. My dad and brother were the main subjects in the photo. I love the quick change of light between the photo that was taken and this photo. Both were taken with the same camera and settings. It was amazing how the light, the angle, and the direction changed. Even though our family grows, I never get tired of seeing this photo. And just because I didn't have a picture ready to post, here's the little one in her muddy shirt.
